TOPIC 01

Relationships *& Self-Worth*

SHORT-FORM · REELS, TIKTOKS, CAROUSELS, SHORT CAPTIONS

01

PAIN / PROBLEM

Your gut has been keeping score of your relationship.

When home doesn't feel safe, your body can stay in fight-or-flight: digestion slows, bloating and cravings show up. List the body signs she's been blaming on food alone.

FORMAT Reel (talking head + on-screen text)

CTA Comment GUT and I'll send you The Feminine Gut waitlist link.

02

PAIN / PROBLEM

You can run a whole company and still not know how to ask for what you need at home.

High achievers over-function at work and under-receive in love. Name the pattern, and how that constant 'holding it together' lands in the body.

FORMAT Reel

CTA Save this, then comment GUT for the waitlist.

03

PAIN / PROBLEM

3 signs you're people-pleasing with your plate.

Eating what he likes instead of what your body needs; skipping meals to 'look a certain way'; eating standing up while taking care of everyone else.

FORMAT Carousel

CTA Which one is you? Comment the number, then grab the waitlist link in bio.

04

PAIN / PROBLEM

Myth: "When I lose the weight, I'll feel worthy of love."

Weight became a stand-in for worth. Bust the myth: worth comes first, and a calmer body follows a calmer relationship with yourself.

FORMAT Carousel (myth vs. truth)

CTA Send this to a friend who needs it, and join the waitlist.

05

PAIN / PROBLEM

The 9 PM pantry run is rarely about the food.

After a hard conversation or a lonely evening, food becomes comfort. Tie in blood-sugar dips from skipped meals plus emotional exhaustion.

FORMAT Reel (POV style)

CTA DM me "TEMPLE" and I'll send you my 3-Day Tune In journal.

06

PROCESS / AUTHORITY

I know like, I know like, I know... you've tried fixing yourself. Here's what I do instead.

Introduce Tune In, the first step of Phase 1: listening to your body before changing anything. Healing isn't fixing; it's listening.

FORMAT Reel (signature phrase hook)

CTA Comment GUT and I'll send you The Feminine Gut waitlist link.

07

PROCESS / AUTHORITY

The 60-second check-in I teach every client before a hard conversation.

Hand on belly, three slow breaths, name the feeling, name one need. Show it on camera so viewers can do it with you.

FORMAT Reel (follow-along tutorial)

CTA Save it for your next hard talk. More tools inside The Feminine Gut: comment GUT.

08 PROCESS / AUTHORITY

Why I treat self-worth and gut health in the same program.

Your relationships, your stress, and your digestion are one conversation. That's why The Feminine Gut works on all three together.

FORMAT Short talking video
CTA Link in bio to join the waitlist.

09 PROOF / PROMOTION

She came to me for bloating. She left with boundaries.

A real client story (with permission): the body changes and the relationship shift that came with them.

FORMAT Carousel (testimonial story)
CTA DM me "STORY" if this sounds like you.

10 PROOF / PROMOTION

What my clients tell me after the first two weeks.

Screenshots of real messages (with permission): "I feel lighter," "I finally spoke up." Let them speak for you.

01 PAIN / PROBLEM

Why successful women end up in relationships that drain their bodies.

Over-functioning, hyper-independence, and the "I'll handle it" identity. How chronic relationship stress shows up as weight, gut, and hormone symptoms, plus three first steps.

FORMAT Podcast / YouTube (20–30 min)
CTA Join The Feminine Gut waitlist (link in description).

02 PAIN / PROBLEM

The high-achiever's stress loop: work, relationship, belly.

Map the loop: pressure at work, tension at home, poor sleep, skipped meals, cravings, bloating, and guilt. Show where to break it.

FORMAT Webinar / YouTube
CTA Register for the waitlist to get first access to the program.

03 PAIN / PROBLEM

Your worth was never a performance review.

Achievement-based worth, the "good girl" pattern, and how it shapes the way she eats, rests, and loves.

FORMAT Long caption + email
CTA Reply and tell me: where did you learn you had to earn rest?

04 PAIN / PROBLEM

Live Q&A: "Is it my hormones, my gut, or my relationship?"

Untangle overlapping symptoms, and be clear about when to see a doctor. Take live questions.

Make it convert

- **Set up the comment keywords** (GUT, TEMPLE, HAIR, PLATE, STORY, GLOW, RITUAL) as automatic DM replies, so every comment gets your link instantly.
- **Turn each long-form piece into an email** to your list the same day, ending with the waitlist link.
- **Proof needs permission:** only use real client words, photos, and results that clients have agreed to share.
- **Keep claims gentle:** say "can help" and "may," and point people to their doctor for medical concerns.
- **During Black Friday week (Nov 23–30),** swap the gut posts for the hair test offer, and use the hair test reel (Gut short #5) to open it.
