THE FEMININE GUT · KITCHEN TOOL FAVORITES

Cooking *With Ease*

Kitchen tools.

> Want to know what tools practitioners actually use in their own kitchens? We asked and they delivered! Whether you're whipping up mayo in seconds, batch-cooking in your Instant Pot, or dicing veggies like a pro, these gadgets make clean eating faster, easier, and way more fun!

BLENDING & FROTHING FAVORITES	WHY WE LOVE IT
01 Immersion Blender RECIPE	For soups, sauces, and even homemade mayo in under a minute.
02 VitaMix RECIPE	For smoothies, protein drinks, sauces, and creamy soups.
03 NutriBullet RECIPE	Great for quick smoothies, dressings, and even margaritas.
04 Electric Frother	Aka "the wizzer" – used daily for collagen coffee, elixirs, and more.
05 Almond Cow	For homemade nut milks without the mess.

COOKING & PREP MVPS	WHY WE LOVE IT
01 Instant Pot or Multi-Cooker	Quick meals, batch cooking, and tender meats in no time.
02 Ninja 8-in-1	Air fryer, oven, dehydrator, and more all in one.
03 Cast Iron Pans	For nutrient-rich, even cooking.
04 Ice Cream Maker	Because healthy can still be fun (hello, summer treats!)

Prep *& Store*

Tools that save time today and food tomorrow.

CHOPPING, SLICING & DICING CREW	WHY WE LOVE IT
01 Mandoline slicer	For ultra-thin veggie slicing.
02 Dicer tool	Makes quick work of onions and more.
03 Garlic press	Flavor upgrade with zero fuss.
04 Zester	For bright lemon/lime flavor without the juice.
05 Good knives	Essential for efficiency and safety (our team likes the brand Wüsthof).

STORAGE & DRYING ESSENTIALS	WHY WE LOVE IT
01 Half-gallon mason jars	For storing nuts, seeds, grains, or homemade almond milk.
02 Dehydrator RECIPE	Perfect for kale chips, fruit leather, and preserving seasonal produce.
03 Jar sealer	For airtight storage of dry goods or fermented items.
04 Vacuum sealer	Great for preserving freshness and saving freezer space.

Tools marked "Recipe" have a recipe included on the next page.
